Excellence in IT & Telecommunications

Welcome to Dedicated Solutions

We aim to be your one stop destination for all of your IT and Telecommunication engineering needs, whether you are a reseller or end user. Our reputation is based on the guarantee that all our IT and Telecommunications engineers are of the highest standard with customers our first concern.

We can supply, install and maintain your Cisco Networking equipment and all your Telecommunications needs. We specialise in Panasonic, and can also support Samsung communication systems at the same level.

Please feel free to contact us for further information and we will do our best to answer all enquiries.

For Nationwide service call us first!

Why not visit our website www.dedicated-solutions.co.uk

Our website is easy to use and packed with useful information. Split into dedicated areas for Dealers and Customers, we have provided information on our products and services and downloadable user manuals for many of the leading phone systems. We can also provide parts and supplies for your IT & Telecommunications.

Give it a try today, you are only one click away!

What our Customers say...

We had a new Call Centre in Reading to kit out, and we decided to call Dedicated Solutions because we had been told that they do a great job.

I must admit that the standard of work was excellent, with a speedy service and great value for money!

P Tomlinson, Reading

We've worked with Phil for a number of years, and we always call him first when we have some installation work needed.

We highly recommend Dedicated Solutions!
M Palmer, Newcastle

Just some of our services

- IT & Telecommunications installation
- Install & maintain Cisco networking equipment
- IT & Telecommunications parts & spares
- All work completed by friendly & fully trained engineers
